

The slide features a white background with abstract green geometric shapes on the left and right sides. These shapes are composed of various shades of green, from light to dark, and are arranged in a way that creates a sense of depth and movement. The shapes are primarily triangular and polygonal, with some overlapping and some appearing as if they are part of a larger, more complex structure.

## Promoting Risk Management

The slide features a white background with abstract green geometric shapes on the left and right sides. These shapes are composed of various shades of green, from light to dark, and are arranged in a way that creates a sense of depth and movement. The shapes are primarily triangular and polygonal, with some overlapping and some appearing as if they are part of a larger, more complex structure.

Most people do not go to work thinking “Today is the day something awful will happen.”

## What is Risk Management

- ▶ Risk Identification
- ▶ Risk Review
